

Regional Delegate Alternate Report

December 10, 2017

I participated in the **Conference Participant web meeting on November 18**. We discussed WSC communication, collaboration, and decision-making. It is exciting to hear about intentions for making the meetings more effective on getting things done for the fellowship. There was discussion on how other Regions gather CAR votes that included workshops in areas, doing workshops at regional meetings, using Zoom for workshops – I would love to discuss if this would increase participation among our groups. To get information on the CAR or download a free copy: <https://www.na.org/?ID=conference-index>

2018 GSA – Saint Grove's, Glencoe, OK

Hope everyone has the flyer for the 2018 GSA flyer – I brought some for distribution and hope we have our largest crowd to date. We have paid the deposit and have the camp secured for the weekend of February 9-11. I have arranged cooks for the weekend and we need to set a budget for food. In the past we have said \$800 and depending on paper goods needed, you usually spend about \$700 – planning for around 50 attendees.
