The new September meeting list is available on the website. I added phone numbers for the Western Region (includes support for the Southern 5<sup>th</sup> Region) and the Plains region. It will take a few more days for me to change the phone line greeting to include a blurb about taking a few minutes to connect. I tried to update it today and I couldn't. I seem to remember something about that message having to be uploaded to the freedom voice support personal because of the branching that occurs when you chose to listen to meetings inside or outside of Tulsa. I can't remember how exactly we did it and can't find notes at the moment. It'll be a process to figure out who to contact at freedom voice and how to update that message..

**Email address change- Don't forget! The new email address is [web@easc.org](mailto:web@easc.org)**
