Outreach: Report for February and March

- February
We visited the new group in Pryor. Stand By You. Monday nights at 6 pm and 7:30 pm. 405 SE 2nd St. It was a great meeting and we delivered the 1st part of their starter pack. Traveled 78 miles.
- March
We visited a group that has had some changes in nights in hopes of improving attendance. Up and Coming Group. 5000 Charles Page Blvd. Thursdays at 6pm. The facility had to close early that night so they didn't meet the night we visited. I contacted them and they said it was a rare occasion that this happens and that the new night was helping but more help is needed. If anybody is willing to visit them on their meeting night would be greatly appreciated. Travel 24 miles.
*I am not asking for any reimbursement this time. It is an honor to be of service to this fellowship.

NEW BUSINESS:

- Adhoc Committee for Literature Office- Audit is having to be rescheduled of the physical literature office due to misunderstanding . The bank account is currently being audited. Talks are being held with other areas about their policies and guidelines. Committee is still waiting to hear back from groups as to why they do not order form our office. Our current bylaws are unclear on the responsibilities of the literature off for providing literature for our groups. All of these issues are to be addressed with a final report next month. Literature office can pay rent this month. It appears 1 month sales taxes have not been paid and the bank balance is unclear. Last month tax and rent paid and orders can be placed. Motions put forth last month will be untabled next month. According to straw poll of those in attendance accessibility, price, and a lack of inventory are problems.
- Due to disturbances in our business meetings it became necessary to have an action plan for how these situations should be handled in the future. This is the policy the committee puts forth to be reviewed by all groups and brought back next month for discussion.

Policy on Violent and Disruptive Behavior

Violence and disruptive behaviors for the purpose of this guide is defined as threats, belittling, name calling, intimidation, physical harm, sexual harassment and other behaviors ment to force control on others. Although we will allow some heated debate and occasional loud voices, we must insist on our area meetings being free from acts of violence and disruptive behaviors. We must recognize these acts and behaviors and protect ourselves from members that would use them towards others. This would include behaviors that are meant to disrupt the meeting so as business cannot be conducted. With that understanding the following policy will be used at our meetings.

- Consequences of violence- physical harm, threats of physical hare, and property damage
 1. Individual will be asked to leave immediately upon the request of any combination of two administrative member or subcommittee members.
 2. Meeting will be adjourned until person leaves.
 3. Local authorities may be called if individual does not cooperate.
 4. Immediate termination of position.
 5. Person cannot attend an area business meeting for 6 months
 6. Person is not to take a service position for 1 year

-Point of discussion: Should this extend to gsr and sub committee panel members? cj:11/2015

- **Consequences of Disruptive behavior (as defined above)**
 1. **First offence will be a verbal warning**
 2. **2nd offence will receive the same consequences as violent behavior above**

- **Points of discussion included- What is sexual harassment? Who determines belittling? Time period between first and second offense for disruptive behavior? Should it take more than two people to address a problem? Should it be a vote of the body present? Concept ten is available to readdress any grievances. How does this affect those involved in the previous disruption? It was determined that everyone should be a part of the solution and part of the discussion. If any incidents occur henceforth the offending person shall be ask to leave and not return until policy is complete and adopted.**

GROUP SHARING:

- The Pig Out is the same date and time as Walk your Talk and the home group was not contacted prior so as arrangements or involvement could be made. This was an oversight and a recommendation is made to be sure and check with any home group meeting at a potential event location in advance in the future.
