All the bus benches are done.

Locations:
205 E Pine
3605 N Hartford
11902 E 12th
6006 S Peoria
3345 W 57th

Phone line report: Earnest texted all volunteers & heard back from everyone except one volunteer. One person has resigned. We still have 21 members answering our NA phone line. If you are interested in volunteering please contact Earnest for an orientation.

Hollie & Keith had discussed Hominy prison & after Keith had spoken to them. It is now up to H&I. They are very receptive to us.

Bus bench discussion included: The contract is worded for one month for our benches to be guaranteed at their current locations. They would only move them after that time if someone specifically requests that location. If that were to occur the company would move our bench to another available spot. They expect they will remain where they are for at least two years.

Regional Delegate Report: Available at okna.org. * Ok region minutes. The password is service RD Report for OKRSC Aug 13 2017

We had a conference participant webinar in June on the future of the WSC. We discussed 2 options: zonal seating, and only 1 Delegate per region. We discussed pros and cons. There was mixed reactions from all involved. More will be revealed. The world board has just met a couple weeks ago, and the new NAWS news isn't out yet. Therefore, Cindi's report at last region covers most current information on NAWS stuff, (or you can refer to the June copy of NAWS news).

A few things worth mentioning:

World Unity Day, which is September 2, 2017 at 10 am PDT.

New products from NAWS; Group starter kits now contain a 7th tradition box at no extra charge, new line numbered Basic Text's, and Twelve Tradition Bookmarks. (All available at www.na.org)

NAWS Meeting Search App for Iphones and Androids has new features; it has a clean time tracker, able to set preferences/ save favorite meetings, send info out on meetings by text or email, set distances by kilometers or miles, you can search separately for phone or internet meetings.

World Convention of NA 37- August 30th- September 2nd of 2018 in Orlando, FL. One thing worth mentioning is that pre-registration has an effect on seating. Meaning, the early your registration the better seating you are able to obtain at special events.

You can also get involved and share your ideas with the two service material projects- conventions and events www.na.org/conventions and local service toolbox www.na.org/toolbox

You can subscribe to publications or JFT at any time by going to www.na.org/subscribe

Next Plains State's Zonal Forum is September 15th-17th in Sturgis, SD at the Super 8 (2600 Whitewood Service Road) in conjunction with SDRCNA #20.

In loving service, Kyle B.

- Question from region: How does our area want votes taken for the CAR report? By member or by group?
Discussion Included: Only 11 out of 90 groups participated last time. The CAR is the Conference Agenda Report which addresses different issues such as projects, literature, ect. Only 4 reports were turned in by our area. Not all groups have time to answer all the questions. This is how decisions are made at world. There will be a workshop at the upcoming GSA.
- RZB- Region Board Zone would like to recommend Cindi B. for world board member and would like feedback from our area as to whether our area would like to support putting her forth for this position. Please discuss with your homegroup.

- Jimmy's Place building committee asks to take address off meeting list for Clean Slate. A member is looking into this and will contact Outreach to get with PR.
Clean Slate has closed.

- Question from Region to area: Would our area support a booth at a cost of 200- 600 dollars at the Ok Corrections Conference Oct 24-26 in Norman. GSR's please bring groups opinions back next month for a straw poll. **DISSCUSSION INCLUDED:** What info will be available at the booth? What is Ok Corrections Conference? Next Region will be Aug 13th in Duncan.
Vote 15 for 0 against 4 abstain
One group would like a 300.00 budget for event
- Region Consensus Based Decision Making Discussion: This process negates the number of votes each area is given and seemsto promote intimidation. Should it go back to parliamentary process? It became consensus based from an in house vote. Do we need to make a motion? Yes, put forth by group, brought to area, taken back to groups and voted on at area, if passed taken to region. Currently a regional committee member's vote carries the same weight as an entire area. **STRAW POLL 13 For 1 Against**
- Further discussion included: RCM 4 votes each, 5 committee members each carry 1 vote. Currently no motions are brought, proposals are discussed. Everyone in attendance is welcome in discussions. RCMs vote on things to be brought back to areas. In house business decisions are voted on by RCMs and Regional Service Committee.
- EASC Welcomes LIVING CLEAN TAHLEQUAH! Group received part one of starter pack
