Budget for PR week: It was discussed that there is an item in the OKNA budget for a 'regional' PR day that has not been utilized for a couple years. (PR week is the first week in June). Should we consider eliminating the budget? Consensus was to eliminate the regional budget. FD

recommends the proposal be sent back to the areas. As an area, do we feel that this should still be included in the regional budget? This was sent back to the groups last month.

The next region meeting will be held on June 11th, 2023 in Western Area.
