Due to PR Chair position being open, ToeKnee K. chaired the meeting on 8/27 at 11 AM at Braum's.

Main focus of meeting was to confirm that we are continuing to complete our core PR activities.

**Web Site** - Amanda reported that the website is current and maintained. Efforts for the redesign continue. Adhoc will continue to meet in a Zoom meeting every two weeks on Wednesday at 6 PM. Next meeting is on Sept 6th. All are welcome. Zoom Meeting info below:

Meeting ID: 842 5966 9453

Passcode: 1953

**Phoneline** - Meeting list recordings on phoneline have not been updated for past several months. Need to look deeper into the issues. Phoneline is being forwarded to live addict volunteers, but we did not have a current report of status. Kelsey M. agreed to follow-up.

**Printed Meeting List** - Printed meeting list posted on EASC website is up to date and process is in place to keep updated.

**Facebook** - EASCNA considers 'The EASCNA Family' facebook group as an area communication tool. Currently, no issues are being reported. We currently have six members serving as 'moderators' (reviewing and approving posts). It does not appear that we have a guideline or process for managing the group.

**Community Racks** - PR has been looking for a willing person to manage literature racks at various community buildings. Did not have a list of current sites at the meeting.

We had a few addicts newer to PR in attendance. It was a good opportunity to discuss some possible future PR projects.
