

EASC PR Feb 2024

Topics discussed regarding:

OK Region project in planning for Rural and underserved NA communities

The work group is discussing virtual meeting to be presented as more local connected, will need committed meeting attendance.

Local ASC Outreach if available, can assist with introduction of the project.

Family and Children's Services can be presentation target – likely by unit or office dedicated to certain services, enabling PR to make several presentations and help introduce possible presenters to the process.

PR meeting via PSZF (Plains States Zonal Forum) – Sally R from Kansas, 6:30 – 7:30p 3rd Tuesdays each month, also listed on the PSZF Calander

NAWS PR zoom meetings TBA - last meeting notes available upon request

PR week upcoming first week of June needs planning

Remain alert to indoor fairs, expos, and the like for possible booth space

Suggestion to add additional statement to virtual meetings link on our website stating along the lines of, if scheduled in person meetings are difficult to make etc. take a look at the online meetings that are available here.

We decided to communicate within the committee with FB Messenger, in the PR group. If this does not work for someone, let me know and we can make other arrangements.

Phoneline orientations, in person and zoom to be announced on EASC Family

Also decided to continue the monthly meetings in Tulsa libraries. Third Thursdays, exact time to be announced at time of library space reservation depending on availability.
