WHY REGISTER?

Many convention participants ask the question, "Why should I register for the convention? What do they do with the money?"

The money collected from registration pays for all of the hotel & convention facilities that we use, as well as all the associated service expenses. These expenses include the meeting space, printing costs of flyers and programs, general supplies as well as entertainment.

All of the funds collected, after bills for the convention are paid, are used by the OK Region to further our primary purpose; to carry the message to the addict who still suffers.

PRE-REGISTER BY MARCH 31, 2024

Looking for a way to be of Service, but not sure you have the time?

Consider helping the EASC Phonenumber!!

If you have a cell phone, then you have what it takes to help an addict find a meeting.

Our EASC phonenumber provides a current list of meetings in the Eastern Area, but what if someone needs something more? We give them the option to speak to a live addict. Our goal is to have this service available 24/7. How do we do that??.....Volunteers!!

"I am not sure I am 'qualified' to do that...."

Each phonenumber volunteer must have at least 6 months clean and complete the phonenumber training to be sure we are all on the same page.

Phonenumber volunteers choose a time slot each week that they can be available to respond to calls. If your schedule changes, it is simple to update your phonenumber commitment.

"OK, I'm willing, what is the next step?"

- Attend a phonenumber training
 - (see EASCNA Family Facebook group for scheduled times)
- Questions??
 - Reach out to our Phonenumber coordinator at phone@eascna.org
