

EASC April 2024

Decided to send two IP racks and material to the Wagoner Group and two in Tulsa. B ren

From this decision we created an in committee positions, Rural Rack Coordinator and Tulsa Rack Coordinator.

Phone line – YAP is fully in place and running well

The Phoneline training will be online only unless requested as face to face. Flyer available.

Plans being made for presentation at one of the FCS offices in the next two months, and in discussion for presentations with additional departments. Open for suggestions.

There is a guideline document on the way. We currently have an intent to fill notice for the Phoneline Coordinator.

This will be a mentored position since the current coordinator will stay on for a while to help.

We will also be reviewing drafts for PR internal guidelines.

Web – all is well and currently with intent to fill

Web renewed domain name for \$20, and the hosting fee will be renewed at a later date;

All event information flyers need to be sent to the web-contact ([web@eascna.org](mailto:web@eascna.org)) for posting on our calendar. This is very helpful in scheduling events.

The OK Region is providing a Learning Day on May 19 in Tulsa.
