**PR Report:** (Keith T) - EASC PR May 2026

- Schedules available for groups and H & I
- No apparent issues with Phoneline, other than lacking support.
- Our Metro Rack project added one rack in the Coweta School system and a second was sent their way today.
- We have had some discussion about creating a Web-contact II or Trainee position and with an interested member in the wings, there should be a proposal from PR to incorporate language creating the "Web II" or what name it turns out to get with duties and
- We attended a couple of PR events this month, one at one of the TCC campuses, Lemely, for a City of Tulsa.
- Recovery Summit, and one at the Tulsa Zoo with an EMSA event. Both were basically health fairs, and as it turns out, we got several visits at our table, and an additional plus is these events are pretty inexpensive since our IPs, blue chips and info cards are what people are picking up.
- Other benefits to attending the Summit –

Meeting members of the Tulsa County Alternative Court System office and finding their interest in a rack for their office, likely to be delivered this week, along with taking some info card to the Tulsa Fire Department office aimed at street intervention responses to put in their vehicles upon approval of the Chief of that office.

- Surprise benefit from the zoo trip was getting an opportunity to meet with the Tulsa County DA's Office staff to make a brief presentation about NA.
- We currently plan to attend the Resource Fair in Wagoner in August and the Zarrow Symposium in October.

Thanks to those involved this somewhat busy month – (Alphabetically, and by task) - Becky and Mikel with helping to maintain metro racks, John and Pawnee for hammering out the Web Contact changes, Kandice and Kelsey at the resource fairs and Tony for helping with the phoneline. Hope that's everyone

**Web Contact Report:** (Pawnee B) -

Web Contact Report for May 31, 2026

Addict called Pawnee...

We have over 2500 members on our private FB account. We average 700-1100 views per week on our website... last 7 days Views 912 repeat users. 1013 total.

I do attend PR subcommittee monthly as I was present today.

I did meet with another Addict who is interested in a Web Contact Trainee position. We are working on updating the Web Contact positions in the PR guidelines, now it looks like we are going to be

updating and revising PR Guidelines/By-laws.

Any change with meetings this would include NEW MEETINGS... I need the information in writing today. Also, during the month any changes please send it to Web Contact at web@eascna.org on our EASC website. Always check the meeting list and make sure what's printed reflects your HG meeting (s) If you're a new recognized meeting make sure, I get the info in writing before you leave today. I was just informed that the Living Clean Group in Tahlequah is no longer meeting and it won't be reflected on the May meeting hard copy lists here today, apparently people have been showing up to attend meeting, and it hasn't been meeting for a couple of months. It's changed on the website already.

Make sure the Secretary gets your Group Report with changes with a star on top so we know theres been changing. During break, it would be perfect so I can get the information on the website today. Make sure all groups fill out a group report. All fliers and reports sent need to be in a PDF format which saves time and appreciated.

If you're Chair of a Standing Subcommittee or even the Executive Committee, if you make changes in the and/or change times or days for subcommittee meetings, including if you change your passwords I need to know as I have the master copy.

Anything that you change that is posted online please let me know. I am trying to keep this information up to date so were not giving members the wrong information from the web site, thank you for this important matter...makes my job a lot easier as I do get addicts who contact me with complaints and concerns because I'm far from perfect and make mistakes or transpose a letter or mis spell a word. I hear about it...

In Loving Service,
