PR Report: (Keith T) - EASC PR July 2026

Meeting scheduled for GSRs and H&I are available, thanks to Everett for getting them to the meeting. Pam and I are out of town. We found a work around to more easily print the schedules by Kelsey emailing me the updated file directly for the list and bypass the downloading, and this seems to be much more trouble free. However, as of today (July 17), I can't say for sure the website printability function is working quite right just yet.

All seems to be well with the Phoneline, but can always use support. There is an orientation on the website should anyone be interested.

We continue to review options for PR presentation accessories and hope to have that task finished up before our next event scheduled for Aug 22 in Wagoner. And speaking of upcoming events, the Zarrow Mental Health Symposium sent out the final invoices for exhibitors and our cost is 1000\$ instead of the 1500\$ we originally discussed.

There are still some tasks remaining, Tulsa Fire Department has an opioid response team and we met some of those folks at the recent Tulsa Recovery Summit. I have been unable to make contact with the Chief in ch but that is on my list for August as well as placing a lit rack at the Alternative Courts office and we also have a tentative presentation for August at the Tulsa Count DA's office. And finally, keep in mind that there will be a Multi-Zonal Service Symposium in October, over the first weekend, in Wichita KS.
