I have been trying to keep up with adding all the things to the Calendar on our website. I did not keep track of what all I have added since last month. I got a new computer so maybe I should start doing that. More will be revealed.

If your home group has an event that they want on the calendar, please reach out to me. If you have a flyer I can add that also.

*e.) **Outreach Report:** (*Lawrence S.*) - Outreach report 9/27/26

*On Saturday, September 19th, outreach went to Nowata, otherside of life group. There was no meeting that night, per Eastern Area meeting list. I called a trusted servant from the group, and was informed that the group meets on Monday and Thursday, but there is not a consistent Saturday meeting. Some Saturday nights they meet, some they do not.

*I submitted recommended changes to outreach subcommittee bylaws to the Policy ADHOC chair person on July 13th, but have not yet seen proposed bylaws with changes to go back to groups for

approval. Initially, Policy ADHOC was only supposed to help, if needed, not take over this effort. It was up to the standing subcommittee chair and other experienced trusted servants to establish a proposed set of bylaws for fellowship approval.

*There will not be an outreach itinerary for the month of October. Cave In being the first weekend of October, and I will be working out of State the remainder of the month. I will have an itinerary for November and December in my October report. I will know if I will be able to attend the October ASC later next month.
