Web Contact - Erin Mc.

I had a zoom meeting with Barry about getting the website up to code. We worked on SSL (security) for the website and got the website partially up to security standards. It is now secure when I am inside of the website but still having trouble with security when the public goes to the website. I will schedule another zoom with Barry to see if we can get this part fixed as well. Barry also helped me get the API's set up within our Google account and he showed me how to get the credit card information into Google. He suggested I get with our Treasurer and get her to the correct page and then she can input the credit card info directly on the page. This is a requirement of Google and will not charge money for the first year and after that will be very minimal amounts. (Barry showed me the charges on Region's account and it's about \$0.36 here and there, very minimal cost if any).

Events are up to date on the web.

Lit racks discussion

Currently have approximately 10 racks placed in probation and parole offices

Will branch out to other agencies/locations as opportunities arise

Planned to out - Tulsa Family and Children Services (Tiffany S), one in Broken Arrow, details unavailable

IP's not being taken as much as meeting lists

Can likely support project IP's through this year, maybe further with stock on hand

Racks approximately \$40 each

Keith has one

Approximately \$800 invested so far

Other options mentioned, pharmacies, UA testing sites, treatment centers

Poster update suggestion from current pull tabs

Discussed refraining from "addict" word and maybe stick to our current phrase of got a drug problem we can help or similar

Emily will mock up example(s)

Discussed RSC proposal to split existing bank balance with NAWS and RSC

Proposal failed at 50/50 and will be readdressed at October RSC (likely Southern Fifth Area) and agreed our Area should attend and have ideas for split and projects (attending is high priority)

Decided on \$20/mo to budget for IP Rack project and keep 2 racks on hand

DOC conference is in Tulsa and we need to register to have a table and find sitters-a day and a half time frame
